

Graduate Accountant

Duncan Plante & Co is continuing to experience dynamic growth in its Tamworth based team.

As a direct result, an exciting opportunity for a graduate accountant has arisen within its vibrant and energetic firm. The new team member will ideally have completed or be nearing completion of an undergraduate accounting degree. Continued professional education will be strongly encouraged and financial support will be provided.

The successful candidate will be results driven and possess a high attention to detail as well as strong communication skills. With a defined career path the candidate will be exposed to a broad range of clients who are predominantly small to large businesses or self funded retirees. The successful candidate will be working in a supportive, professional and dynamic team based environment and will be reporting to the team manager.

With a 'can do' attitude and the ability to think 'outside the box' to match the friendly, professional and energetic culture, the successful candidate will be passionate about supporting the firm's client service offering as well and assisting in the firm's future growth.

Applications for this position should be forwarded to hr@dpcoco.com.au . Please contact Chris Ingall for further details.
